

MINIATURE RIFLE WINTER POSTAL LEAGUES

July 2019

Dear HARC MRL Competitor

We are pleased to enclose the final scores for the season 2018-19 and hope you have enjoyed taking part as much as we have.

Certificates and plaquettes will be despatched to the winners and runners up as soon as possible.

Entry forms for next year will be available very shortly and all who took part in this year's competition will receive one.

Once available you may also download electronic entry forms from Terence O'Hanlon's excellent reference website www.rifleman.org.uk. Even if you don't want one – a visit is highly recommended as ever.

Shooting instructions and target labels should be with you by the end of October at the latest. If you have not received them by then please let me know and we shall send out a repeat order.

Please do spread the word about this competition and encourage people to dig out that "old" rifle that never sees the light of day and put it to the use for which it was created. If you look at the results carefully you can see that a wide variety of rifles make it into the medals.

Can we take this opportunity to remind you all that in the "prone" leagues shooting from a bench with both elbows touching the bench is acceptable (but no part of the rifle) and that orthoptic apertures may well assist you in using service sights. – this is, put simply, a small disk with a hole of about 1mm in it, fitted behind, or even in front of, your glasses or shooting prescription lens. This can be easily made at home, or an adjustable pistol type iris may also be used.

We thank you for your participation and look forward to welcoming you back for another year's competition.

All the best

Tony Mike Linda and Chris
