

MINIATURE RIFLE WINTER POSTAL LEAGUES

20th March 2020

Dear All.

Like many other sporting activities the current situation has rendered completion of this year's competition impossible. Many competitors have reported that their clubs are following HM Government and NHS advice and have temporarily closed doors for the duration. Another factor is the demographic of our competitors puts many of us in the "at risk" category so more likely to be staying at home. With this in mind, based on feedback and much discussion the team here have decided to end the competition early.

The scoring of this competition is actually based on a round robin "who beat who" basis where everyone shoots against each other twice. By only counting scores up to round five everyone will have shot against each other once.

We will still issue prize certificates and order the prize plaquettes from the NSRA but based on the results of rounds one to five.

We trust that you will agree that this is the best solution for and saves something from the effort put in by all so far, given the predicament we find ourselves in. We of course hope that next year will be "business as normal" and plan to send invitations in good time for the 20-21 winter season.

Most of all we wish you and yours continued good health and look forward to seeing you all again later in the year. Probably with very clean rifles.

Kind regards

Chris, Tony, Linda and Mike
