This was the fifth year of the HBSA running the Historic Miniature Rifle event on the Winans range in August.

"Victor Ludorum" goes to I.G., who also won the Special Prize for the most rounds fired!

Please check your results carefully, especially the class entered and the rifle details.
HBSA Prize Certificates will be posted out to winners in the next few weeks.

In particular I must thank my helpers **Linda and Mike** , who scored all the cards very promptly,

All comments about improvements, and offers of help for future years will be gratefully received.
